Click on Team

Step 4 :For SPOC click on SPOC button

The screenshot shows a web browser window with the URL <https://portal.i4c.in/register-user>. The page content includes a navigation arrow on the left, a lightbulb icon in the top left, and the text "You are a?". Below this text are two buttons: "Team Captain" (grey) and "SPOC" (blue). The "SPOC" button is highlighted with a blue box, and a blue arrow points to it from a callout box on the right that contains the text "Click on SPOC". Below the "SPOC" button is a small grey box with the text "Single point of contact Principal/HOD/Professor/Teacher". At the bottom of the page, it says "Powered by i4c".

Step 4 :For Student with Team click on Team Captain button

The screenshot shows a web interface with a white background. At the top left, there is a small icon of a lightbulb with 'i4c' inside. Below it is a blue circular arrow icon. The main text in the center reads "Currently you are?". Below this text are two buttons: a solid purple button labeled "Team Captain" and a white button with a grey border labeled "SPOC". At the bottom of the page, there is a grey footer bar with the text "Powered by i4c".

Idea submission Step 1 -SPOC can create a team of 6 students and register the team by submitting idea. Student team captain can add total of 6 team members, including self.

The screenshot shows a web browser window with the URL <https://portal.i4c.in/idea-submission>. The page features the DYNAMIC logo in the top left and a progress indicator at the top showing 'Team Registration' as completed and 'Idea Submission' as the current step. The main content area is titled 'Choose your problem statement*' and contains six radio button options. The first option is selected. Below the options is an 'Upload File*' section with a text input field containing 'Type 1 Diabetes School Hackathon.pdf' and a 'Choose File' button. There are also input fields for 'project URI (Video ,Github, Giflab Link)' and 'Code URL'. At the bottom, there are two checked consent boxes and two buttons: 'Previous' and 'Submit'. The footer of the page reads 'Powered by i4c'.

Step 2 – Select Problem Statement, upload the solution document and click on the check box and click on submit.

Welcome,
Siddhant Ubale
